

# TAHOE 2024

Southern California Firemen's Golf Association

*Dates: July 29, 30, 31*

## GRAYS CROSSING, WHITE HAWK, EDGEWOOD!

*We will begin play on the GRAYS CROSSING G.C. with a shotgun start. Day two is WHITE HAWK, our "new addition!" Amazing and beautiful golf course! On day three, we will once again travel to EDGEWOOD! This is the jewel of golf in Tahoe. I cannot imagine going to Tahoe and not playing Edgewood. This will be our 33<sup>rd</sup> year there. All three will be so much fun to play! Golf courses in Tahoe in July are always in wonderful shape. This promises to be the best conditioned courses we have ever played. We have 100 spots and that will be it, so if you plan on attending, I recommend you send in your application quickly. After the first 100, entries will be "Waitlisted."*

*We will again run a two day tourney with cash prizes. A one day tourney will follow at Edgewood for those who would like to play 3 days. Cash prizes will be given out as in the past. We will provide a meal after the round at White Hawk, BBQ. Food will be available in the restaurants for purchase at the other courses.*

*Excited to have you in Tahoe in July. Bring a friend this year, fire or not! Three awesome courses we hope you will love!! No host hotel.*

### MENS Prices:

*Two Day - \$640.00*
